Matching Colors Across 3 Product Categories

Lions Floor features a coordinated palette of visuals and colors across three hard surface formats: SPC, flexible LVP and water-resistant laminate.

Flexible LVP (District, District Pro, and District Max collections) feature the most sought-after SPC colors with copyrighted 10 repeats, fiberglass core, EIR embossed finish, larger planks with virtually no acclamation required. Our water-resistant laminate collection, Comfort Heights, features the same sought-after SPC colors in large-profile 10 repeat planks, and is a high density core laminate, water-resistant with waxed joints, AC4 level scratch resistant and EIR embossing finish.

About Lions Floor

Founded in 2017, Lions Floor is one of America's fastest-growing wholesale distributors of high quality, water-resistant SPC, WPC, Laminate and LVP flooring. Lions Floor emphasizes exceptional customer service and satisfaction, and produces classic, stylish flooring options that are recognized for their affordability and superior quality.

Every collection in Lion Floor's product portfolio is tested in US-based laboratories and examined to surpass industry standards. Our flooring features state-of-the-art Registered Embossing technology that results in highly durable, water-resistant products that are long-lasting while achieving an exquisite wood grain embossed veneer. Being an environmentally conscientious company, we are proud to use materials that are unharmful to the environment and do not add to the growing concerns of deforestation. .

Enjoy the ease of mind and long-lasting beauty and durability that comes with using Lions Floor products.

Our products are renowned for proven stability and exceptional performance.

SPC

Stone Polymer Composite (SPC) offers superior stability and a long-lasting lifespan. All Lions Floor SPC products tested in U.S.-based laboratories for compliance with industry standards. Furthermore, all products are made from 100% ecological ingredients and are FloorScore, CARB-2 and GreenGuard Gold certified.

See inside front cover for a cross reference color chart that features a coordinated palette of visuals and colors across three hard surface formats: SPC, flexible LVP and laminate.

Mouldings

Seamlessly blend together our high-performing flooring products with the desired trim to create the desired aesthetic. Our mouldings coordinate with all our collections and respected colors.

End Cap

Works great when finishing the floor in areas that meet vertical objects.

Reducer

Ideal for transitioning between your laminate flooring and carpet.

Flush Stairnose

The Stairnose is used to finish stair treads and risers.

T-Moulding

Used when two level surfaces meet, like in a doorway or a narrow archway.

Quarter Round

Finish the perimeter for expansion and contraction of the flooring.

Stair Tread

Available for select collections.

Indoor Delight

Indoor Delight offers sophisticated European oak designs using the latest EIR embossing technology with 10 repeats on film designs, delivering a premium look of rich and vivid floor in on-trend 6′ x 9″ planks. Its exclusive designs are unique and only available at Lions Floor, ensuring customers protection from competitors, while making flooring projects truly “limited edition”. Indoor Delight is also antibacterial-cured, easy to install, low-maintenance, environmentally friendly, durable, and long-lasting, making it appeal to both homeowners looking for an upgrade on their remodel, as well as builders in mid to high-end new construction.
