

# Matching Colors Across 3 Product Categories

Lions Floor features a coordinated palette of visuals and colors across three hard surface formats: SPC, flexible LVP and waterproof laminate. Flexible LVP (District, District Pro, and District Max collections) feature the most sought-after SPC colors with copyrighted 10 repeats, fiberglass core, EIR embossed finish, larger planks with virtually no acclimation required. Our water-resistant laminate collection, Comfort Heights, features the same sought-after SPC colors in large-profile 10 repeat planks, and is a high density core laminate, water-resistant with waxed joints, AC4 level scratch resistant and EIR embossing finish.

CHART READS HORIZONTALLY

SPC	Laminate	LVP (2 mm / 6 mil)	LVP (2 mm / 12 mil)	LVP (2.5 mm / 20 mil)
