LionsGrip is our standard-grade resilient flooring adhesive designed for consistent, efficient installs. It features a transitional pressure-sensitive formula ideal for residential and light commercial environments.

Key Benefits:

- Transitional Pressure Sensitive Adhesive
- Ideal for LVP/LVT, sheet vinyl, and rubber
- One-part system for easy application
- Light traffic ready in ~12 hours
- Ultra-low VOC formula (≤ 11 g/L) for healthier indoor air
- Compliant with stringent indoor air quality standards
- LEED-compatible adhesive for eco-conscious projects
- Budget-conscious solution

Application Method:

- Spread & set (PSA method)
- Coverage: 150-260 ft² per gallon

Approved Flooring Types:

- LVP / LVT (non-porous)
- Sheet Vinyl (heterogeneous / homogeneous)
- Rubber Tile (light commercial)

Best For:

- Standard residential projects
- Light commercial spaces
- Cost-effective flooring jobs
